FOAMING BRUSH CAR WASH

This product is a cherry-scented, pink coloured detergent formulated for use in foaming brush and hand mitt applications. This product produces high stable, lubricating foam that washes away dirt and road grime while conditioning the finish for wax or sealant treatments. It rinses easily to a sparkling shine. It is gentle on hands and will not harm paint, rubber or chrome and is fully biodegradable and phosphate free.

DIRECTIONS: This product may be diluted with up to 350 parts of water. The concentration should be adjusted to desired foam level. It works well in manual operations, with friction automatic car wash equipment and foam generation equipment.
