

A290

VC-20 CLEAR COAT

This product is a premium highly concentrated sealant and clear coat protectant offering long lasting shine and water repellency to automobile surfaces.

This product bonds well to vehicle surfaces and provides water sheeting and breaking for quicker drying.

DIRECTIONS: This product may be pre-diluted as 1 part to 10 parts of water before final dilution and application. It may also be directly diluted by using automatic dispensing equipment with up to 600 parts of hot or cold water. Dilution ratios are dependent on desired final results.
