SP-125 CLEANER DEGREASER

This is a completely water soluble product for exceptional degreasing and cleaning of a wide variety of surfaces. It rinses well, leaves no film or offensive odours and is non-flammable.

DIRECTIONS: Spray on surfaces to be cleaned, wipe with damp cloth or sponge. Rinse cloth or sponge often in clean water.

For lighter cleaning jobs, dilute to sufficient strength with water.

NOTE: Contains alkaline ingredients. Avoid prolonged contact with chrome and aluminum.

COMMERCIAL USE ONLY
