

G549

RED SELECT

This product is an all-purpose butyl cleaner-degreaser designed to clean almost any surface without harming plastic, vinyl, cloth or painted surfaces. It is biodegradable and non-flammable.

PROPERTIES: It contains alkaline builders, water soluble solvents, emulsifiers, water softeners and highly active synthetic detergents.

DIRECTIONS: For light duty cleaning of floors and walls, dilute with up to 100 parts of water. For heavy duty cleaning and degreasing, dilute with 5 - 10 parts water.
