## WINDSHIELD WASHER ANTIFREEZE (-40°C)

This is a top-quality non-ammoniated window and glass cleaner with wetting and penetrating properties that reduce surface tension of hard and soft water to ensure clean streak-free glass surfaces.

**DIRECTIONS:** This product is designed to be used straight in automotive windshield washer reservoirs. It will not freeze in temperatures above -40C.

It can also be used for cleaning windows in cold weather (to -40°C). For use inside or above freezing temperatures, the product can be diluted with up to 3 parts of water. Apply directly with a spray bottle, cloth or sponge. Wipe dry with a clean cloth, paper towel or squeegee.

**CAUTION:** Contains methanol.

**COMMERCIAL USE ONLY**
