LOW ODOUR SOLVENT DEGREASER

LOW ODOUR SOLVENT DEGREASER is a very low odour, formulated solvent for removal of oil, grease, tar and bitumen. It combines the solvency of odourless paraffin oils with the pleasant scent and solvency of citrus terpenes, making it user friendly and highly effective. LOW ODOUR SOLVENT DEGREASER contains biodegradable surfactants and emulsifiers.

This product will not freeze at temperatures as low as - 25°C.

DIRECTIONS: Apply full strength using a pressure sprayer or brush. Allow as much contact time as possible without allowing product to dry. Rinse using hot water or steam. Repeat as necessary.
