POWER ONE DEGREASER

This is an economical cleaner and degreaser designed for use on a wide variety of surfaces. It is non-flammable, rinses well and leaves no film or offensive odours. It may be applied by pressure washer, steam cleaner or brush.

DIRECTIONS: For cleaning and degreasing of vehicles and shop floors, use 1 part to 40 parts of hot water and apply with pressure wash equipment.

For heavier degreasing of engines and parts, dilute product 1:1 with hot water; more or less may be required depending on the amount of grease, oil, water temperature and pressure present. Rinse with warm water.

For light degreasing and cleaning dilute with up to 100 parts of water and rinse.
