

J440

E-8 NON-CHLORINATED LIQUID BAR GLASS CLEANER

This product is a non-chlorinated low foaming liquid detergent designed for use in automatic bottle and glass washers and low temperature commercial dishwashing machines. It is ideal for use in food plants and other commercial locations.

DIRECTIONS: Use approximately 2-4 ml per litre of water (1/3 to 1/2 oz per gallon) or as required. Best results are obtained by dispensing the product with automatic equipment.

CAUTION: Contains caustic.
