TECHNICAL DATA SHEET

HOUSEHOLD AMMONIA

This is an ammonia product used for a wide variety of cleaning and grease-removing applications.

DIRECTIONS: For general cleaning of walls, woodwork, floors (tile or linoleum), porcelain, stoves or refrigerators, use approximately 110 ml of product per 4 litres of warm water. For more stubborn jobs product may be used at full strength. For cleaning windows and mirrors use 50 - 100 ml of product per 4 litres of hot water.

This product can also be used as an additive to fortify wax strippers and glass cleaners.
