## ACID FREE CLEANSER & SANITIZER

This product is an excellent viscous green cleaner that sanitizes, deodorizes and shines a variety of surfaces including porcelain, chrome, ceramic and stainless steel.

It contains no acids, ammonia or harsh abrasives.

**DIRECTIONS:** Wet the surface to be cleaned. Pour a small amount onto the surface and clean with a damp sponge or cloth. Rinse off. For an extra brilliant shine on stainless steel, wipe dry with a clean, soft cloth.

Toilet Bowls: Squirt product onto sides of the bowl and clean with a bowl mop. Flush clean.

**ACTIVE INGREDIENTS:** ortho-benzyl-para-chlorophenol, pine oil and isopropanol
