CLEAR VIEW GLASS CLEANER

Clear View is a ready-to-use window and glass cleaner of exceptional quality and biodegradability. It contains no alcohols or other volatile ingredients and excels in cleaning and film removal. Clear View outperforms most national brand window cleaners and is an environmentally responsible product that can safely be used on glass, windshields, white boards, eyeglasses, goggles, Plexiglas, tabletops and computer screens.

DIRECTIONS: Apply with a spray bottle, cloth or sponge. Wipe dry with a clean cloth, paper towel or squeegee.

Clear View is ECOLOGO certified to Hard Surface Cleaners UL 2759. ECOLOGO certified products are certified to ECOLOGO standards for reduced environmental impact. For more information, visit ul.com/el.
