GLEAM ENVIRO FLOOR FINISH

This product is a Green Seal™ certified floor finish that applies easily, levels nicely and dries to a deep gloss. This combination sealer and finish is non-yellowing, and its low-maintenance formula offers industry-leading black mark and scuff resistance.

- Floor Solids = 18%
- Not formulated with Zinc, APEOs and phthalates
- Low emission formula with 1% VOC
- Low odour
- Fast-drying - 20 minutes under normal conditions
- Covers up to 3,000 square feet per gallon
- Green Seal™ GS-40 certified

DIRECTIONS:

Strip floors to remove old waxes, sealers and finishes.

Rinse thoroughly and let dry.

With a clean rayon mop apply up to 4 thin even coats, allowing finish to dry between coats.

Allow 48 hours for the finish to reach full cure before wet cleaning. Burnishing will speed cure time.

For periodic recoating dust mop the floor and then scrub using Pristine All Purpose Cleaner. Rinse and allow the floor to dry before applying Gleam Enviro Floor Finish.

Please dispose of excess product in accordance with local regulations. Please recycle container.
