

J840

LIQUID TRAFFIC LANE CLEANER

This economical traffic lane cleaner is easy to use and leaves no residue. It is a concentrated cleaner with the strength to clean heavily soiled carpets. This product meets the specifications for use on stain resistant carpets. Use it in commercial applications as a carpet cleaning detergent and as a pre-conditioner for heavily soiled traffic lanes.

DIRECTIONS: Pre-test on carpet before using.

Routine Cleaning: dilute at 4 oz/gallon (25 ml/L)

Heavy Soil: dilute at 6 oz/gallon (44 ml/L)

Pre-Conditioning: spray on carpet and allow 5-15 minutes contact time. Do not allow to dry.

COMMERCIAL USE ONLY
