

S780

TECHNICAL DATA SHEET**H-55
NON-TOXIC GLYCOL SOL.
-55°C (60/40)**

This product is an inhibited propylene glycol based antifreeze providing protection down to -55°C.

This product is designed for use where a non-toxic heat transfer fluid is required. It is a clear colourless liquid and has no odour.

The inhibitor package in H-55 provides excellent corrosion protection.

H-55 is well suited for use as antifreeze in heating systems where a non-toxic compound is desired.
