CITRUS TAR REMOVER

This product is a natural viscous citrus solvent based degreaser and tar remover ideally suited for pre-spraying tar spots on vehicles prior to washing. This product does not contain any chlorinated solvents, petroleum distillates, acids or alkali. It is non-corrosive and has a pleasant orange odour.

DIRECTIONS:

For tar removal, apply the product undiluted to affected areas using a sprayer or sponge. Allow 3-5 minutes contact time before washing with detergent and hot water.

For lighter degreasing jobs of equipment and vehicles, dilute the product with water to desired strength. Allow 3-5 minutes contact time before rinsing with hot water.
