COMMERCIAL VEHICLE CLEANER

This product is a concentrated, non-caustic, mildly alkaline cleaner and degreaser formulated for commercial vehicles and industrial equipment. Its biodegradable blend of solvents and high-foaming surfactants rapidly penetrates and removes road film, grease and carbon soot.

DIRECTIONS:

Use a pressure washer with the required dilution for best results:

For regular maintenance cleaning: dilute up to 150 parts with water.

For heavy duty cleaning and degreasing: dilute up to 50 parts with water.

For tire cleaning and engine degreasing: dilute up to 10 parts with water.

Rinse thoroughly with water.

CAUTION:

Allow appropriate dwell time for penetration, but do not allow product to dry on surfaces.
