

D373

WINTER RELEASE AGENT

This is an environmentally responsible product designed to prevent snow and ice from sticking to equipment. It leaves a slippery, hydrophobic surface that allows complete dumping of snow from dump trucks and shovels. It will also prevent ice formation and melt existing ice. This product is designed for winter use and will not freeze at temperatures as low as -35°C. It is non-corrosive and is safe to use on any surface.

DIRECTIONS: This is a Ready To Use product. Do not dilute. Apply directly to dry truck beds, shovels and tools using a sprayer, rag or mop.

FOR COMMERCIAL USE
