

G650

ENVIRONMENTAL ORANGE

This citrus-based, all-purpose cleaner and degreaser readily solubilizes greasy soils and leaves hard surfaces squeaky clean. It is built with natural citrus terpenes and readily biodegradable surfactants, maximizing cleaning efficacy while minimizing environmental impact. This product is equally effective in hard or soft water conditions.

DIRECTIONS:

For light cleaning and dusting, dilute 1:50.

For all purpose cleaning, dilute 1:30.

For heavy duty cleaning and degreasing, dilute 1:10.

Apply diluted product to the surface to be cleaned using a sprayer, rag, sponge, mop or brush. Rinse well after cleaning.

Rinse food contact surfaces with potable water.

Do NOT use concentrated product on paint or glass.
