# TECHNICAL DATA SHEET

## ALL WEATHER WINDOW CLEANER

This product is a top quality ammoniated window and glass cleaner with wetting and penetrating properties that reduce the surface tension of hard and soft water to ensure clean streak-free glass surfaces. It is ideal for use in institutional, commercial and food plant applications.

**DIRECTIONS:** It is designed to be used undiluted for cleaning windows in cold weather, down to -20°C. For use inside or above freezing temperatures, the product can be diluted with up to 3 parts of water. Apply with a spray bottle, cloth or sponge. Wipe dry with a clean cloth, paper towel or squeegee.

**COMMERCIAL USE ONLY**
