

J790

TECHNICAL DATA SHEET

ALL PURPOSE CLEANER READY TO USE (NON-CORROSIVE)

This is an excellent all-purpose cleaner designed to effectively remove dirt, oil, grease, exhaust, food stains, etc. It can be used to clean almost any surface and will not harm plastic, vinyl, cloth, chrome, stainless steel, linoleum, rubber, fibreglass, terrazzo, porcelain, canvas, concrete, aluminium and painted surfaces. This product is fully biodegradable and non-flammable.

DIRECTIONS: Spray on dirty surface, wipe with damp cloth or sponge. Rinse cloth or sponge often in clean water. For lighter cleaning jobs dilute to sufficient strength with water and apply with sponge.
