TECHNICAL DATA SHEET

GREASE REMOVER SPECIAL

This product is a highly concentrated spotter and grease remover ideally suited for use on fabric stains in laundry, dry-cleaning and carpet cleaning applications.

It is particularly effective for use on oil, grease, tar, lipstick, salad oil and ball-point ink.

DIRECTIONS: Add product directly to spots or soiled areas and leave to penetrate for a few minutes before laundering in hot water. It may also be added with a detergent directly to the wash cycle.

This product contains a special blend of emulsifiers, surfactants and deodorized petroleum distillates.
