TECHNICAL DATA SHEET**ULTRA LIQUID
LAUNDRY DETERGENT**

This is a concentrated non-phosphate mildly alkaline detergent which contains effective cleaning agents, emulsifiers, water conditioners and optical brighteners. It is safe to use on all fabrics and can be used in hot or cold water. The product produces brighter whites and colours and prevents soil redeposition.

This detergent is specifically designed to be used with automatic dispensing pumps and can be used in combination with liquid alkali or solvent based emulsifiers.

DIRECTIONS:

For light to medium soil, use 1/2 to 3/4 cup (4 - 6 oz.) per 100 lb. load.

For heavy soil, use 3/4 to 1 cup (6 - 8 oz.) per 100 lb. load.

For top loading domestic washers, use 1/2 - 1 cup.
