**TECHNICAL DATA SHEET****LDC-1250  
SOUR-SOFTENER  
CONCENTRATE**

This product is a quality liquid concentrate formulated to neutralize any harsh chemical residue while softening and eliminating static from all linen.

**DIRECTIONS:** A suggested ratio of 15 ml (1/2 oz) per 50 lbs of linen is recommended. Concentrations should be adjusted to achieve a pH of 6 - 6.5.

**COMMERCIAL USE ONLY**
